Tariff Filing

Non-Conforming Service Agreement Filing (Docket No. RP23-463-000)

On March 16, 2023, the Commission approved Northwest's restatement of a non-conforming service agreement (Agreement No. 137605) between Northwest and IGI Resources, Inc. ("IGI") for inclusion in Northwest's Original Tariff; and (2) its updated list of non-conforming service agreements provided in the Tariff. On February 17, 2023, Northwest and IGI restated this Service Agreement to extend its term through October 31, 2030. The tariff record became effective on March 27, 2023.

2023 North Seattle Lateral Upgrade and South Seattle Annual Charges Update Filing (Docket No. RP23-483-000)

On March 23, 2023, the Commission approved Northwest's annual incremental facility charges for the South Seattle Delivery Lateral Expansion Project and North Seattle Lateral Upgrade Project in compliance with the Commission's orders issued in Docket No. CP12-471 and Docket No. CP17-441. The tariff record became effective on April 1, 2023.

Semi-Annual and Annual Fuel Reimbursement Filing (Docket No. RP23-479-000)

On March 23, 2023, the Commission approved Northwest's semi-annual and annual fuel reimbursement filings. The new factors were placed into effect on April 1, 2023. Northwest changed the following factors: (1) no change to the current 1.06% in the transportation services factor; (2) increase from 0.32% to 0.49% in the underground storage services factor; (3) an increase to 0.23% to 2.08% in the LNG liquefaction service factor; and (4) no change to the Liquefaction charge.

Certificates

Annual 2.55(b) and Blanket Reports (Docket Nos. CP23-239-000 and CP23-246-000)

On April 25, 2023, Northwest submitted its Annual 2.55(b) and Blanket Reports.

Green River Compressor Station Replacement Project (Docket No. CP23-479-000)

On May 12, 2023, Northwest filed a 30-day advanced notification of the replacement of compression facilities at its Green River Compressor Station. Construction activities will commence in July 2023 with an estimated in-service date of October 31, 2024.
